## Lexile Measures

---

Our Skills Booster texts are fantastic and a great way to encourage independent reading. They are carefully written by our content creation team with a specific Lexile range for each year group. The table below shows the range for each year group we produce content for.

Year group	Lexile score	Text length in words
2	400-500	250
3	500-650	300
4	650-750	400
5	750-850	400
6	800-1000	500-600
Year 6 SATS prep	900-1200	500-1500
